

## **SCOTTSDALE MODEL RAILROAD CLUB**

### INFORMATION FOR INTERESTED MODEL RAILROADERS

The Scottsdale Model Railroad Club is dedicated to supporting the model railroad hobby for the benefit and enjoyment of its members and visitors to the McCormick-Stillman Railroad Park. The park provides space for the club and the club provides entertainment for visitors to the park. The club is a 100% National Model Railroad Association (NMRA) club. All club members must also be members of the NMRA.

The club is currently constructing a new HO & HO<sub>n3</sub> layout in the Model Railroad Building. Members are generally working on the new layout every day and the building is open to the public daily. The club also participates in NMRA activities and model railroad swap meets in Phoenix, Tucson, Prescott, Sedona and Flagstaff.

The club holds a business meeting in the park at 7 PM on the first Wednesday of the month. On subsequent Wednesdays, a group of 4 to 9 members go to a nearby restaurant for dinner and then work in the evening.

Club dues for Senior Members are currently \$10 per month and an initiation fee of \$25 is assessed at the time of membership approval.

As an interested model railroader, you are invited to informally participate in club activities to familiarize yourself with the club and its members. After a period of several months, if it appears to be of mutual benefit to you and the club, an invitation may be extended to begin the formal probationary period for potential new members.

The probationary period requires that the member candidate complete an application for club membership and attend a minimum of two business meetings. It also requires that the candidate participate in a minimum of eight 3-½ hour work sessions under the supervision of senior members. If not already a member of NMRA, the candidate must apply for NMRA membership. Upon completion of these requirements, the member candidate is eligible for consideration for membership by the voting club members at a regular business meeting.

If you wish to begin informal participation in the Scottsdale Model Railroad Club, please give your name, address, email address and home or cell phone number to the membership coordinator or one of the club officers.
